HELP US SUPPORT

THE EPILEPSY FOUNDATION OF ARIZONA

During the month of March GOS will donate a portion of the proceeds from March Promotions to the Deserts of Arizona team in the annual AZ Epilepsy walk. Our very own Eric Morrow, GOS Operations Mgr., and his family will walk with the team and raise funds supporting the Epilepsy Foundation of Arizona.

Proceeds from the annual Arizona Epilepsy Walk will be used to support the programs and services of the Epilepsy Foundation of AZ including: Camp Candlelight, a one week summer camp experience for children with epilepsy; Operation Outreach, an educational and support program for veterans of the Iraq and Afghanistan wars; community and professional educations; advocacy; social and networking groups and more.
